FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HJR 284

April 6, 2009

SUMMARY OF BILL: Urges the Tennessee Wildlife Resources Commission (TWRC) to set daily bag limits and hunting seasons for migratory waterfowl each year at the maximum level permitted by the U.S. Fish and Wildlife Service, specifically to establish a 60 day duck hunting season and to permit the taking of two hen mallards per day in season.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- The fiscal impact assumes that the action urged by this resolution will be implemented and reflects the cost of implementation.
- An increase in state expenditures to set such bag limits is estimated to be not significant and can be accommodated within existing resources without an increased appropriation or reduced reversion.
